Halo 4 and Halo Reach (and possibly other Halo releases) are being converted to Xbox One X Enhanced, which is a newer and bigger remastering with better image processing as seen in Halo 4. Halo Reach was released in 2010, which I'm guessing is why it was never remastered. Adopt Your Own Body Armor with Halo Custom Edition! Come try us out in the wilds of the (very virtual) open beta. With the new [REDACTED] experience mode in Halo: Reach, you can custom the appearance of your body armor to include a unique decal/logo and custom color. Halo Reach body armor now has a few different options to pick from - leaving you free to customize it however you'd like! In Halo Custom Edition, you'll be able to dress up your armor with a unique logo decal and custom color. There are over 30 different colors that can be chosen from, and over 60 different decal designs to pick from too! Halo Reach is available for Windows and Mac on Xbox 360, Windows and Mac on Xbox One, Windows and Mac on Windows 10, Xbox One X, PlayStation 4, PlayStation 3, Wii U, Xbox One. Halo Reach is one of the best games of 2010, on a list of best games of the decade that we compiled in 2010. Here's our list.
